## Little Compton, Rhode Island FOUNDED 1675

## REPORT OF THE BUDGET COMMITTEE to the ANNUAL FINANCIAL TOWN MEETING

TOWN OF LITTLE COMPTON, R.I. Tuesday, May 21, 2024 at 7:00 PM

Location: Wilbur-McMahon School Auditorium/Gymnasium 28 Commons

Transportation will be available via the Little Compton senior bus to attend the Financial Town Meeting on May 21st

If you would like to reserve your seat call the Little Compton Senior Bus Mailbox at 777-9700 by 4 pm on Monday May 20th

Please keep this report with you for use during the meeting.

Public Hearing - Friday, May 3, 2024

at 7:00 pm, LC Town Hall, Council Chambers, 40 Commons, Little Compton.

Please monitor the town website for further information on the meeting.

www.littlecomptonri.org

## **Little Compton Financial Town Meeting Procedures**

May 21, 2024

Scott A. Morrison Town Moderator

- The **quorum** for Financial Town Meeting ("FTM") is five (5) percent of registered voters, as provided by Section 305 of the Little Compton Home Rule Charter. Please make every effort to remain until the end of the meeting. Our business is not complete until the tax levy and borrowing authority are approved.
- **Seating:** Please remain seated during the meeting, except for purposes of debate and voting. The votes of anyone standing in back or along the side will not be recognized. In addition, non-voters should be seated in the roped-off area on the bleachers, unless the Moderator has previously given individuals permission to be seated elsewhere.
- Powers of the moderator: Charter Section 305 provides that the "Town Moderator shall have all of the authority conferred upon moderators by State law in conducting and managing the business of Town meetings." Section 45-3-18 of the Rhode Island General Laws reads, in its entirety: "Every moderator has the power to manage and regulate the business of each meeting, conforming to law, and to maintain peace and good order at the meeting."
- Motions and amendments: The Charter (Section 502.A.) provides that the Budget Committee "shall have the primary responsibility for evaluation of all requests for appropriation by the Financial Town Meeting . . . and for presenting a proposed budget to the Annual Financial Town Meeting." Thus, the Budget Committee will be recognized for the purposes of making the first motion (or "main motion") on each warrant article involving the appropriation of funds. That motion, after receiving a second, will of course be subject to amendment. We will deal with and dispose of one amendment at a time. That is, we will not act on amendments to amendments. Any substantial amendment should be prepared and presented to the Moderator in written form.

A motion for adoption of warrant articles in a group is permitted under Section 304 of the Home Rule Charter. However, amendment and debate of individual warrant items within such a grouping are also permitted. Amendments may also be offered to separate one or more warrant articles from a motion involving a group of articles. Furthermore, amendments that encompass several articles may also be proposed. Finally, Section 304 provides that "the order of items to be considered . . . may be changed by a two-thirds vote of the electors present and voting."

- Discussion and debate: If you wish to make a motion or speak to a motion, please come to a microphone on the floor. Please identify yourself when you speak. State law provides that all electors who "desire to be heard" on a motion are entitled to be heard—but electors are not entitled to be heard repeatedly or interminably. If you have been heard once on a question, you will not be recognized again unless and until all others speaking to that question have been heard. Any questions for town officials or others should be addressed to and through the Moderator. All voters are expected to conduct themselves in a respectful and civil manner. Comments directed at personalities will not be tolerated.
- **Voting**: I will first ask for a voice vote on a question, calling for ayes and nays. If conclusive, I will declare the results of the vote. If I am in doubt on a voice vote, I will call for a standing vote, which will be counted by the tellers, two of whom will count each section. Remain standing until you are instructed by the tellers to be seated. Please be patient so that we can achieve an accurate vote count. Once I have declared the outcome of a voice or standing vote, there is no opportunity for a recount.
- Voting by ballot: State law provides that "a vote shall be taken by ballot, if a ballot is called for and the call is seconded by at least one-fifth (1/5) of the electors who are qualified to vote on the pending question." A motion for a vote by ballot must be made before I have called for and concluded a vote by other means, such as a voice or standing vote. In the event of a vote by ballot, we will use ballots and the optical-scanning voting machine provided to us by the Board of Elections. Please follow closely the direction of the tellers in voting section by section and row by row. The tellers will direct you to the outside aisles. You'll then be handed a ballot. Mark it "yes" or "no" at one of the voting booths, insert it into the voting machine, and then return to your seat by the center aisle.

Voters of Little Compton,

The Little Compton Budget Committee is pleased to present our recommended budget for fiscal year 2024-2025, based on our intensive review of departmental budget requests, a citizen stroke and other expenditure requests, we are confident that this is a fiscally responsible budget. We have also reviewed the results of the yearly town financial audit as this information is crucial to our process. Enclosed is a list of each budget request along with the recommendation of the Budget Committee.

This year's Financial Town Meeting (FTM) will take place on Tuesday, May 21, 2024 at 7:00pm in the Wilbur McMahon School gymatorium.

The Little Compton Budget Committee would like to thank all of the department heads, town officials, community organizations and concerned citizens who took the time to appear before the committee to present information and/or testimony critical to making an informed recommendation to the taxpayers of Little Compton.

The Budget Committee has high confidence that the Town of Little Compton is in excellent financial standing. A vote in favor of the enclosed budget, with the recommendations of the Little Compton Budget Committee, will result in an approximate \$0.12/per thousand dollar increase in the property tax rate for the Fiscal Year 2025. The Little Compton Budget Committee is focused on keeping property taxes low, while maintaining or enhancing our town services.

The Budget Committee would like to highlight several items for discussion that are enclosed in this document.

Article #5: The Little Compton Agricultural Conservancy Trust (Ag Trust) has submitted a request to increase the transfer tax exemption amount from \$300,000 to \$450,000 while maintaining the existing 4% tax rate. This would take effect July 1, 2024. The Little Compton Budget Committee supports the mission of the Ag Trust to preserve land for agricultural and recreational use. Since its creation in 1985, the Ag Trust has acquired an extensive portfolio of properties, which has helped Little Compton maintain its rural character. However, current economic conditions have resulted in a decrease in the town's population of young families, and as a result, a decline in student population at our school. New families who may wish to purchase a home in Little Compton are instead choosing more affordable options due to skyrocketing median home values, currently at \$1,170,700.00 (Source: Little Compton Tax Assessor). For first-time (young) homebuyers, the transfer tax may be an additional financial burden on those that can afford to buy a home here. Using this tax income to buy undeveloped land and restrict development of new homes contributes to the Town's overarching affordability and housing issues. Buying and preserving undeveloped land removes property from the tax roll and stunts future tax growth. Based on these factors, the opinion of the Budget Committee is that the transfer tax, at its current rate or at the new rate being proposed by the Ag Trust, contributes to Little Compton being an unaffordable destination for families and funds the restriction of new housing supply. The effects of this change can be revisited by the Ag Trust, Budget Committee, and public during the next budget season. At that time, the exemption and tax rates can be modified again, if necessary.

Article #7: In 2023, a citizen stroke for the amount of \$250,000.00 was presented for consideration and recommended by the Little Compton Budget Committee to repair/replace the tennis/pickleball courts. This citizen stroke was recommended to the taxpayers by the Budget Committee, based on the information presented that the \$250,000.00 amount would cover both the engineering, planning and construction costs. The citizen stroke was approved by the voters at the 2023 Financial Town Meeting (FTM). The Recreation Committee, utilizing \$25,000.00 of those funds approved by the taxpayers hired an engineering firm to conduct a study of the existing facilities to determine the estimated cost for repair/replacement. These findings were then presented to the Recreation Committee. Unfortunately, the study found that the previous construction methods and materials used would not result in a product that would meet the pre-determined life expectancy.

The engineering firm then presented four (4) repair/replacement options to the Recreation Committee, ranging in cost from \$342,657.00 to \$582,158.00, not including lighting. The Recreation Committee then voted to recommend a "post-tension" concrete replacement option at a cost of the \$582,158.00, not including the cost for the installation of lighting. The Town Council then voted to approve the recommendation of the Recreation Committee, based on the 25-year warranty of the option chosen.

This year, the Budget Committee was presented with a second citizen stroke requesting the amount of \$350,000.00 in additional funding towards this project. The new stroke, as written, states that the funds, if approved at Financial Town Meeting, would be allocated towards the "replacement of the tennis/pickleball court as well as the installation of a new lighting system". This has put the Budget Committee in a difficult position. Based on the information received from the engineer, the discrepancy between the anticipated and the actual

costs of this project could unintentionally appear misleading to our taxpayers. In the opinion of the Budget Committee, the original 2023 citizen stroke was not presented before the town with any intent to deceive the taxpayers. The results of the engineering study simply reveal that the condition of the tennis/pickleball court was much worse than originally anticipated. The LC Budget Committee clearly understands the validity and demand for this project and it has our complete support.

The Budget Committee is required, by Town Charter, to consider each citizen stroke, as written, when making a recommendation. The requested amount of this year's citizen stroke (\$350,000.00) combined with the remaining balance of the funds of (\$225,000.00) approved last year, will not cover both the cost of the tennis/pickleball court replacement and the installation of lighting. According to the engineer, the lighting is estimated to be around \$137,000.00, for a total project cost of approximately \$700,000.00.

The LC Budget Committee believes that this project, and any other projects of this magnitude, that involves the town's recreational facilities should be classified as a "Capital Improvement Project" under the oversight of the Recreation Committee with the funds for these projects allocated to the town capital budget. Funding for these projects should be accumulated over the course of several years from both the town and independent fundraising, as will be the case in this project. This would eliminate any sudden tax burden on the taxpayers by spreading out the projected costs over several years.

After careful analysis of the engineering study and funding projections necessary to complete the full scope of this project, including lighting, the LC Budget Committee does not recommend, as written, the citizen stroke for the amount of \$350,000.00. The LC Budget Committee does recommend that the taxpayers approve the sum of \$175,000.00 to be appropriated to the Recreation Capital Improvement Fund routed through the Recreation Committee for allocation towards the overall cost of this project. The remaining balance of the funds from the 2023 citizen stroke should also be transferred into the capital fund to support this project (\$225,000.00). Revenues gathered through fundraising efforts should be allocated in a designated fund created by the Finance Director for this specific purpose. The Budget Committee wishes to convey the sentiment that, in future years, projects of this scope and magnitude, should be addressed by the Town Council, so the most expedient and efficient means of planning and funding can be attained.

The Little Compton Community Center has requested the amount of ten thousand dollars Article #14: (\$10,000.00) to support the Little Compton Senior Lunch Program, hosted each Monday, Wednesday and Friday. The Director of the LC Community Center appeared before the Budget Committee to discuss their plan to increase the number of meals provided to Little Compton seniors to nine thousand-two hundred (9,200) meals this year, to satisfy the increasing demand. The Little Compton Community Center has been an outstanding partner, providing much needed nutrition to our seniors, while also providing an important opportunity for seniors to socialize with fellow community members. This also provides an opportunity for the town and community organizations to connect with our seniors and to make them aware of additional community events and outreach services. The Community Center is providing both their facilities and staff to support this program at no cost to the town. The Budget Committee has learned that the Community Center hosts this program at a significant expense to their own budget. Estimated to be around twenty-thousand dollars (\$20,000.00) each year. It is the opinion of the Budget Committee that the town should fund the complete cost of this program, allowing the LC Community Center to utilize their own funds to support other critical programs that support our youth, seniors and civic organizations. Based on these findings, the Budget Committee recommends an increase to the LC Community Center's requested funding amount to thirty-thousand dollars (\$30,000.00) for Fiscal Year 2025.

**Article #15:** The Little Compton Food Bank provides a critical service to both our seniors and our low-income families. This year, the LC Food Bank is requesting an amount of fifteen-thousand dollars (\$15,000.00) to support their efforts for the Fiscal Year 2025. Representatives of the LC Food Bank appeared before the Budget Committee to discuss their efforts and plans for the upcoming year. The LC Food Bank has informed the Budget Committee that demand for their services is at an all-time high. Due to the current economic conditions and increased cost of living, many seniors and low- income families rely on the LC Food Bank for their basic nutritional needs. The LC Food Bank has also informed the Budget Committee that the requested amount of fifteen-thousand dollars (\$15,000.00) would not be enough to realistically meet the demand of the community for the upcoming year, including the other financial support and donations they receive. We commend the staff LC Food Bank for their fiscally minded request, but understand that this program is vital to our community and needs to be funded appropriately. Therefore, the Budget Committee recommends an increase in the funding request from the Little Compton Food Bank to thirty thousand (\$30,000.00) dollars for Fiscal Year 2025.

**Tax Relief/Hardship Exemptions:** The LC Budget Committee would like to remind taxpayers that property tax relief/hardship exemptions are available through the LC Tax Assessor's Office. There are opportunities for senior citizens, members of the military and veterans, disabled residents and low- income families to seek tax relief based on income or other financial hardships. We strongly encourage those who may be interested or may just have questions to meet with the Little Compton Tax Assessor at Town Hall or contact by phone at (401) 635-4519. This process is confidential and participation in any of these programs is not disclosed to the public in any form.

**School Capital Improvement Plan/Budgeting**: The Wilbur & McMahon School, serving grades PK- 8, is a cornerstone of our community that requires careful planning to maintain and improve. It is important to provide voters and community members with a comprehensive view of both operational and capital budgets. Ensuring that the Budget Committee and public understand the school's budget processes and long-term planning is crucial to fostering a collaborative and trusting relationship between the School Committee, Budget Committee, and the community we serve.

The long-term capital plan for the school, detailed in the recent <u>RIDE Stage II submission</u>, forecasts significant investments aimed at addressing deferred maintenance and improving capital infrastructure critical to the school's operational and educational success. We acknowledge the school administration's effort in preparing these detailed plans. This type of planning is essential for maintaining and enhancing the school's infrastructure and educational capabilities.

The Little Compton Budget Committee's key responsibility is oversight, ensuring funds are utilized effectively. The school's process of using surplus operational funds and transferring those funds to capital projects allows the school to leverage matching funding from state and federal resources. Because the school chooses not to specifically budget for capital projects in their budget requests, the transfer process must be clearly understood by the community. For instance, the school's recent initiative to install solar panels, of which \$185,000.00 was approved at the 2023 Financial Town Meeting (FTM) with the remainder funded by a portion of the school's accumulated surplus, exemplifies prudent capital management. This project not only contributes to significant energy cost savings but also benefits from substantial federal and state reimbursements. Such strategic financial management enables the school to leverage town funds effectively, multiplying the impact of Little Compton taxpayers' contributions through additional state and federal aid. The ability to set aside capital funds for projects related to reimbursable projects allows the school to multiply Little Compton taxpayers' funds with state and federal aid.

To further our commitment to clarity and transparency, we advocate for the Little Compton School Committee and the Administration to enhance their presentation of budget information in future submissions. The school should submit both annual budgets and long-term capital planning documents and projections, along with anticipated matching funds or reimbursements. It is crucial that the flow of funds from operational to capital projects is depicted clearly. Ideally, this presentation of budget information to the LC Budget Committee would be in the form of flow diagrams and multi-year budget sheets with projections of capital projects, highlighting the savings the school is obtaining by leveraging matching funds.

In closing, the members of the Little Compton Budget Committee thank you for your participation in this very important process and for your attendance at the Financial Town Meeting (FTM) on May 21, 2024 at 7:00pm. Based on our detailed research and analysis of the town's finances and budget requests, we respectfully ask for your support and your vote to adopt the recommendations of the Little Compton Budget Committee listed in this report.

Sincerely,

## Little Compton Budget Committee

George M. Crowell, Chairman Corey Soderlund Brandon E. Pineo Andrew L. Rhyne Peter A. Bermudez Maureen R. Rego, Secretary

ARTICLE APPROPRIATED REQUESTED RECOMMENDED NO. ITEM 2023-2024 2024-2025 2024-2025

To authorize and direct the Town Finance Director to receive funds from the State of Rhode Island, the Federal Government, and private and other sources, and to credit these funds to the proper appropriated Town accounts or to other Town Meeting designated accounts. Said funds so received would reimburse the Town for specific expenditures, or be in anticipation of specific expenditures within said accounts. The expenditure of said funds so received exceeding \$300,000, in total, from one source, or for one project or purpose, shall only be spent as authorized by vote of the Town Meeting or a Special Town Meeting. All other monies would continue to be deposited into the General Fund.

Budget Comm. Rec: Approve

To authorize the Town Finance Director to accept private donations to all private funds set up by the Little Compton Town Council. Said funds to be expended only after approval of the various committees and authorization and approval of the Town Council.

Budget Comm. Rec: Approve

To authorize the Little Compton Housing Trust to receive monies, including State and Federal grant monies, to receive or acquire any real or personal property, by grant, gift, bequest, purchase or devise and to convey or lease real estate and/or buildings, so long as such conveyances shall be in keeping with the purposes of the Housing Trust. Said real or personal property may be held in any manner so long that said acquisition and improvement are consistent with the Mission of the Trust. Furthermore, to authorize the Housing Trust to expend monies from the Housing Trust Fund during Fiscal Year 2025 for the purposes of the Trust, as provided in Section 2-9.2 of the Town Code and Section 710 of the Home Rule Charter.

Budget Comm. Rec: Approve

To authorize the Reserve Fund to receive up to One Hundred Thousand (\$100,000.00) Dollars from the accumulated revenues from the lease of the cell tower at the Transfer Station, subject in all respects to the conditions of the Little Compton Town Charter, Section 512. Authorized expenditures from the Reserve Fund in the current fiscal year are to be reimbursed from the cell tower lease revenues in the coming fiscal year.

Budget Comm. Rec: Approve

5 LC Agricultural Conservancy Trust

To see if the Town, pursuant to Sections 7 and 8 of Chapter 16 of the Rhode Island Public Laws of 1985, as amended (An Act Establishing the Little Compton Agricultural Conservancy Trust"), will: increase the current transfer-tax exemption on real property transfers from \$300,000 of the total purchase price to \$450,000. The \$450,000 exemption and unchanged 4% tax rate will take effect upon approval by electors at Financial Town Meeting.

Budget Comm. Rec: Effective 1st July of next fiscal year per Sections 7 and 8 of the enabling legislation - Town Solicitor's opinion. Please see Budget Committee letter.

6 ARPA FUNDING

Total Voting Amount: \$677,838 \$572,575 \$572,575

To authorize the Town Council to expend the remaining sum of \$572,575 of American Recovery Plan Act (ARPA) funds to accelerate accomplishment of the town's capital project plans, including (but not limited to) a public works building at the Transfer Station and \$50,000.00 for development costs associated with 184 Colebrook Road for the acquisition of property of the LCHT.

**Budget Comm. Rec:** 

7 Pickleball/Tennis Courts

Total Voting Amount: \$250,000 \$350,000 \$175,000

To see if the town will appropriate the sum of Three Hundred, Fifty Thousand (\$350,000) Dollars to replace the town tennis and pickleball courts and lights.

**Budget Comm. Note:** This article was submitted as a private citizen stroke and certified by the Board of Canvassers for inclusion on the warrant. <u>Please see the Budget Committee letter.</u>

## 50 HARBOR MANAGEMENT FUND

To see if the Town will authorize the Harbor Management Fund (the "Fund") to receive and expend monies for harbor related purposes. All revenues generated by Town boat launching fees, mooring permit fees, qualified mooring inspectors, and all other fees and fines received in connection with the Fund ordinance shall be deposited into the Fund and expended by the Town Council with the advice of the Harbor Commission. Funds shall be disbursed for purposes directly associated with the management and implementation of the Town's Harbor Management Plan and the Harbor Management Fund Ordinance. Monies from the Fund shall be allocated to the Harbor Master and/or his designee, subject to Town Council approval, for the purpose of enforcing the provisions of the Town's Harbor Management Plan and/or the Fund ordinance.

Budget Committee Rec.: Approve

**Budget Comm. Note:** Fund to collect Harbor revenue. Separate fund for harbor only required per Federal Law. Covers expenses for Harbor Master, harbor facility maintenance/ repair, and funding towards a dredging fund.

## 51 PENSION

To see if the Town will appropriate the sum of Four Hundred Sixteen Thousand, Eight Hundred Nineteen (\$416,819.00) Dollars as the Town contribution to the Pension Plan and cover contractual obligations for employee benefits for the ensuing year, and to accept the Annual Report of the Pension Committee.

## Little Compton School Department Annual Update to the Citizens of Little Compton

Total Student Population: 309 / Wilbur & McMahon Schools - 215 / Portsmouth High School - 84 / CTE, MET + Other - 10

We are pleased to report on the status of the schools to the Citizens of Little Compton. The proposed PreK through Grade 12 school budget for Fiscal Year 2025 shows an increase in total expenditures of \$219,624 over the last year's budget. The town appropriation requested to support the Fiscal Year 2025 budget is \$8,050,425. The Little Compton School Department (LCSD) and Wilbur and McMahon Schools (WMS) offer a vibrant, inclusive, rigorous yet nurturing learning experience for all PreK through Grade-8 students. The LCSD's high schoolers are "tuitioned out" to Portsmouth High School (ranked #4 in RI, U.S. News & World Report 2023).

## **Scholastic Highlights**

Wilbur and McMahon, in recent years, has emerged as a top school in the state — with two #1 spots (ELA and Science achievement, RICAS 2023), a 5-STAR rating (its first ever) by the Rhode Island Department of Education (RIDE), and the distinction as the only public International Baccalaureate (IB) certified World School in Rhode Island, offering the prestigious Middle Years Programme. These extraordinary achievements are due to the town's strong support of the school department, which affords our students a PK-8 education supported by excellent teachers and specialists, optimal class-sizes, beautiful green spaces, a well-maintained facility/formal Capital Improvement Plan, and continuous investment in high-quality curriculum materials as well as state-of-the-art instructional technology.

## **Curriculum Offerings**

At Wilbur and McMahon, rigor and relevance drive the curriculum: Eureka Math² K-8; Grade 8 "Pre-AP" Pathways - Algebra 1 and Spanish 1; EL Education K-8 Language Arts from Open Up Resources; FOSS (Full Option Science System) & Carolina OpenSciEd Curriculum K-8; RIDE's new Social Studies Standards - 2024/McGraw-Hill; Co-curricular offerings in Art, Music, Band, Physical Education, Health, Library Media Skills, Spanish and Design.

## Instructional Technology

Wilbur and McMahon's IT is cutting edge: interactive whiteboards (Promethean) in every classroom, 1-to-1 ratio of Chromebooks for all K-8 students, state-of-the art AV system in flex space "gymnatorium" (gymnasium-auditorium), and digital signage throughout the building.

Navigate here https://www.lcsd.k12.ri.us/finances for "Finances" section of the LCSD web site.

## **Field Trips and On-Campus Events**

In addition to offering rigorous, supportive, and achievable educational programs, Wilbur and McMahon values the arts and civic engagement and collaborates within our school and local community to offer school assemblies, workshops and field trips (both on and off campus), including: Buck Hill (4 days of 18th Century camping), RI State House, Newport Contemporary Ballet, RI Resource Recovery Center, Fort Adams, Roger Williams Zoo, Newport Volvo Ocean Race Village, Block Island, Washington DC, Boston Freedom Trail, Boston Science Museum, Museum of Fine Arts in Boston, RI School of Design Museum, Plimoth Patuxet Museum, Trinity Repertory Theater, Save the Bay, Body Works in Boston, South Shore Beach, Historic Simmons Mill (pic above), Old Stone Orchard, Young Family Farm, Providence Bruins (chorus sings patriotic songs), Little Compton Historical Tour, Biomes, Audubon Society Presentations, New Bedford Symphony Orchestra, Zeiterion Theater, Atwater & Donnelly, Lloyd's Center, local Garden Club classroom programs and holiday greens, Law Day, Author Talks, Story Tellers, Dodgeball Tournament, Student-Faculty Basketball Game, Field Day, Literacy Week, 4th-Grade Parade of History, 8th-Grade Science and Engineering Fair (5 of our students won top honors including Best in Fair, 2024!), Art Expositions, Scripps Spelling Bee (#2 speller in the state, 2024!), Spirit Week, Student Council, and so much more.

## **Athletics and After-School Offerings**

With the whole child in mind, after-school activities include: Soccer, Cross Country/Track, Basketball, and Lacrosse; Ballet, Green Team (environmental club), Glee Club/Chorus, Beginner Band and Individual Band Lessons, Drama/Musical Theater, FIRST Tech Challenge and After-School Library Hours. We also partner with community organizations that sponsor and/or bring programs into the school: LC Makers, Girls on the Run, local garden clubs, Sakonnet PTO, Up With School Arts, Little Compton Community Center, Little Compton Prevention Coalition, and the Little Compton Education Foundation.

## **Facilities and Campus Highlights**

Our beautiful campus includes: Library/Media Center with over 8,000 books + RILINK + RICAT; State-of-the-art performance space (for town use, as well); Science Lab, Art, Music, and Band Suites; Outdoor Classroom (Eco-Oasis) and Greenhouse; Gymnasium (town Rec. Department use, as well) and access to athletic fields and walking trails; Caf/Servery - offering hot breakfast and lunch.
